

COUNCIL OF ARCHITECTURE ONLINE TRAINING PROGRAM

IN ASSOCIATION WITH

BMS COLLEGE OF ARCHITECTURE, BENGALURU

Architectural Research- Practices & Perspectives

15th June-18th June 2021

Time: 10:30 am - 3:30 pm

Research is vital in Architectural pedagogy and practice. However, there are still vast unexplored avenues to architectural research. Therefore, a need is generated to focus on the various approaches and methods of research in field of architecture and allied disciplines. The aim of this program is to explore the various research methods adopted by academicians, practitioners, and research scholars during the different stages of Architectural research. The objective of this program is to emphasize on broad range of techniques available in research methods and data analytics for academicians, practitioners, and researchers from interdisciplinary domains.
