

Council of Architecture

In association with

Bureau of Energy Efficiency (BEE)

is organizing an online training program

Introduction to Energy Conservation Building Code (ECBC)

Convened by Prof. Jayashree Deshpande, Director, COA-TRC, Pune

Dates: 26th to 30th April 2021;

Timing: 10.30 am to 02.00 pm (IST) each day

Last date of Registration: 26th April 2021

The Training Program would be conducted by experts recommended by BEE.

The program is expected to cover the following topics:

- *Introduction to Building Physics*
- *Building Envelope*
- *Lighting and controls*
- *ECBC compliance procedures*
- *Energy simulation.*
- *ECBC Scope and Administration*
- *Building comfort systems and controls*
- *Electrical and renewable energy systems*
- *Whole Building Performance Approach*

The training program will be supported by live case studies of ECBC compliance projects as well as training on Energy Simulation software.

Registration Process: Teachers/ architects who wish to register for the training program may do so by filling up the attached Google form.

Registration fees: There is no registration fee for this program.
