# DESIGN STUDIO TEACHING METHODOLOGIES: JOURNEY FROM FOUNDATION STUDIO TO THESIS

NATIONAL ONLINE FACULTY DEVELOPMENT PROGRAM

## PREAMBLE

Design studio is the core of architectural education. The Faculty Development Program (FDP) aims to enhance the pedagogical skills of faculty members in architectural education by exploring innovative teaching methodologies across various design studio levels. The program will cover a wide range of topics, from foundational teaching techniques to advanced studios, to arrive at an updated understanding of effective studio practices.

## KEY TAKEAWAYS

1. Participants will learn to contextualize design concepts, emphasizing holistic learning and creative freedom in studio environments.
2. The program covers both small and large-scale projects, focusing on user comfort, responsible design, and integrating technology and software.
3. It aims to enhance teaching methods, preparing students for modern architectural practice .
