

KMEA COLLEGE OF  
ARCHITECTURE

COUNCIL OF ARCHITECTURE ONLINE TRAINING PROGRAM  
in collaboration with  
KMEA COLLEGE OF ARCHITECTURE

Architectural education is a unique field that spreads across several disciplines and focuses on a studio based pedagogy. This pedagogy emerged as an outcome of the Bauhaus movement and still serves as the foundation of the mainstream architectural education in India, despite the rise of alternative pedagogical methods and approaches among the world's leading universities. This training program aims to create dialogues about the emerging pedagogies in architectural education by engaging with speakers who have proved their expertise in advanced pedagogical approaches that responds to the emerging concepts within this field. The program will address areas such as Systems approach, Design thinking, Inclusive design, Gender studies, Alternative approaches in basic design and Digital Architecture.
