**Vidya Pratishthan's School of Architecture, Baramati, Maharashtra**

Dates: 24<sup>th</sup> July to 28<sup>th</sup> July, 2017

Last Date of Registration: 10<sup>th</sup> July, 2017

**Venue: Vidya Pratishthan's School of Architecture, Baramati, Maharashtra**

The contribution of a teacher is crucial to the strengthening of the professional fraternity and the nation's intellectual infrastructure. Not merely constrained to the delivery of academic content, the role of a teacher surpasses classroom boundaries to become a learning facilitator, resource developer, evaluator, guide, mentor, counsellor and role model. Teachers of architecture, although from the professional field, cannot be an exception to the rule.

The programme, specially designed for faculty members of schools of architecture, aims to sensitize teachers about new concepts in teaching and enables the participants to develop competence in understanding recent advances in education technology, to learn to improve pedagogies and to better their inter personal skills to become effective faculty. Lessons from technology of education can be understood and adopted by young teachers in their early years of career. Application of knowledge from the field of education to that of Architecture Education will not only enrich the learning process of architecture students but also definitely help in improving the general quality of architecture in the long run.

**The topics expected to be covered during the programme include:**

- The psychology of the teaching-learning process
- Understanding the skills required for teaching
- Reading for inspiration
- Overview of the design process
- Trends of teaching in Architecture in India
- Creative teaching techniques for application in the design studio
- Teaching various subjects in the architecture curriculum
- Application of lessons learnt in the classroom to live projects

*The young teachers and "to be" teachers too, are invited to this platform to share their experiences, resolve their classroom and studio issues and take back with them several experiences to enrich their academic proficiency.*

Come....

Recognize your assets... Identify your shortcomings....  
Enhance your skills.... Learn new teaching strategies.... and....  
Enter the studio with confidence....
