**TO HEADS OF ALL ARCHITECTURAL INSTITUTIONS IN THE COUNTRY.**

Dear Sir/ Madam,

As you are aware, the Council had been publishing a monthly magazine "Architecture Time space and people" in the past, for the benefit of architects, academicians and students, in order to provide a platform for the architectural fraternity to collaborate, converse and exchange innovative, offbeat and revolutionary ideas, stories and projects since time immemorial. However, the publication of the same could not continue due to technical/ administrative reasons.

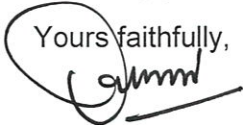

In this regard, I am pleased to inform you that the Council of Architecture has decided to resume publication of its magazine "**Architecture Times, Space and People**" in e-format from the coming month. The magazine shall cover the various articles related to Architectural Education, Profession, Building Technology and other important issues concerning Architectural Education and profession and new Trends in vogue which will help in creating awareness about Architectural Education & profession and to promote research & innovation in architecture.

Revival of the magazine may be seen as an opportunity to 'reacquaint' and reestablish a dialogue between architects across the country. Curated in the aftermath of the pandemic, the intent is to also 'reacquaint' ourselves to the history and the contemporary with a vision for the future - through articles discussing the effects and outcomes of COVID-19 on architectural production, education, culture, profession, environment and technology.

In this regard, the Council would like to seek your kind support in this initiative and request you to encourage your faculty members to write & submit their articles for the magazine so that these publications can be enriched with the knowledge & wisdom of the Architecture academia. The articles for the magazine may be emailed at [publication-coa@gov.in](mailto:publication-coa@gov.in) so that the same could be considered for publication. The guidelines for submission of articles is attached for your kind perusal.

Thanking you,

Yours faithfully,
