**To All the Practising Architects, Heads of Institutions and Management of Architectural Institutions.**

Dear Colleagues,

Greetings.!

I am sure you all staying safe and healthy and at home. I am sure by now, we all are becoming used to working from home.

However, we all are eagerly awaiting the lifting of the nationwide lockdown and hope that not only our country but the entire mankind is able to contain the spread of the epidemic. It is very important to restrain ourselves and keep a strict check and watch our activities and movements after the lockdown is lifted. The world is definitely going to be a different place to live henceforth.

We thought it appropriate to prepare and share with you, a Standard Operating Procedure document which is based on various advisories issued by the Government and is a comprehensively made document which will help in resumption of workplaces and institutes and also ensure health and safety of our users.

None of the contents mentioned in the document are mandatory, however, they are utmost necessary for the safety of our citizens and you all. Please take it as an advisory and implement in totality.

Looking forward to a normal life ahead soon.

Stay safe. Stay healthy.

Best wishes,

**HABEEB KHAN**
