PRESS RELEASE

SUCCESSFUL CONDUCT OF SECOND TEST OF NATA-2023

The Council of Architecture, an autonomous statutory authority of Ministry of Education, Government of India, successfully conducted Second Test of NATA 2023 (National Aptitude Test in Architecture) on June 3, 2023, for admission to First Year of 5-year B.Arch. Degree Course at architectural institutions throughout the country.

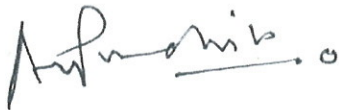

NATA is a computer-based Test conducted at 102 centres in the country and 8 international centres in two sessions— 1st session from 10.00 am to 01.00 pm and 2nd session from 2.30 pm to 05.30 pm. Out of total 17183 registered candidates for the second test, 13932 (81.08%) candidates appeared in the Test.

The results of the second test will be declared by the Council on 13.06.2023. The candidates shall be able to download their ScoreCards from NATA 2023 website www.nata.in.

It may be clarified that in case a candidate appears for 2 Tests, best of 2 scores shall be taken as the valid score and in the case of 3 attempts, the average of the 2 best scores shall be taken as valid score.

The Third Test shall be conducted on 9th July, 2023, interested Candidates may Register on the NATA portal. For further information please refer to NATA website www.nata.in.

I wish all success to the candidates for their future career.

Prof. Abhay Purohit
President
