Sub.: Inspection of RJ11-MJRP College of Architecture & Planning, Mahatma Jyoti Rao Phoole University, Jaipur – reg.

Dear Sir,

I am directed to inform you that the Executive Committee of the Council of Architecture (COA) at its 132nd Meeting held on June 26 & 27, 2014, considered the inspection report of Two-member Expert Committee which had conducted surprise inspection at your institution namely, RJ11-MJRP College of Architecture & Planning, Mahatma Jyoti Rao Phoole University, Jaipur, on June 16, 2014, to investigate several complaints of irregularities received against your institution. A copy of the report is enclosed herewith for your ready reference.

The Executive Committee, upon going through the report, noted some serious deficiencies in the conduct of 5-year B.Arch. degree course at your institution which are as follows:

- 1. Virtually no qualified faculty in Architecture.
- 2. Dearth of physical and infrastructure facilities at the institution
- 3. B.Arch. course not being imparted as per prescribed COA Norms. No regular classes are conducted and no time table is being followed.
- 4. Non-conducive environment for students pursuing B.Arch. course.
- 5. The students have been suffering because of lack of quality of architectural education.

In view of the above circumstances, the Executive Committee, upon taking a serious concern over the deficiencies as pointed out in the report, decided to withdraw the approval accorded by the Council of Architecture to your institution i.e. RJ11-MJRP College of Architecture & Planning, Mahatma Jyoti Rao Phoole University, Jaipur, for imparting B.Arch. Course from the academic session 2014-2015 and further directed that the students of the existing batches undergoing B.Arch. course at your institution be immediately transferred to other institutions approved by the Council of Architecture in the country in order to safeguard their careers and future. You institution is directed to initiate necessary action at your end to facilitate transfer of the students to other institutions.

The Executive Committee, as a special case, further decided to allow all admission authorities & approved institutions imparting B.Arch. degree in the country to admit the above said students immediately through migration into the corresponding year/semester of B.Arch. degree course (pending/condoning any requirement for transfer, if necessary) in excess of the intake sanctioned by the Council provided the respective admitting institutions maintain the appropriate academic infrastructure & other facilities, as may be required as per COA Norms. There shall be no requirement for any separate/individual communication by the Council authorizing the institution(s) to admit said students into the appropriate level of B.Arch. course.

Yours faithfully,

R.K. Oberoi Offg. Registrar

Encl.: as above.
