March 19, 2020

TO

HEADS OF ALL THE ARCHITECTURAL INSTITUTIONS IN THE COUNTRY

Subject : Closure of institutions till 31st March, 2020 in view of coronavirus pandemic -reg.

Dear Sir/ Madam,

This is in response to my earlier circular of even number dated 16th March, 2020.

It has come to my notice that most of the institutions have suspended academics for students and taken measures at hostels etc., until March 31st or thereafter. However, the managements of few institutions have not given leave to their faculty members and non-teaching staff.

Please understand that the faculty members and other staff are equally precious and susceptible to the pandemic. This also goes against the National advisory of work from home and social isolation.

This is to once again request that the institutions have to remain closed for all persons including Faculty members and non-teaching staff and there should not be any discrimination. Please help in our nation's fight against this emergency.

Stay safe. Stay healthy. Stay home.

Thanking you,

Yours sincerely,

HABEEB KHAN
