Council of Architecture-
Training and Research Center, Pune

In collaboration with

RV College of Architecture, Bengaluru

Council of Architecture
Training & Research Centre
TRC

is conducting a **5-day Online Faculty Development Program** on

Innovations, Technologies & Future Trajectories in Architecture

Date: 23rd March 2026 - 27th March 2026   **Time: 2:30 pm - 5:45pm**

Preamble

The five-day workshop is envisioned as an exploration into the multifaceted futures of architecture, focusing on the emerging ideas, technologies, and socio-environmental conditions that will shape the discipline in the coming decades. The programme introduces participants to the conceptual frameworks, technological shifts, regulatory developments, and evolving professional expectations that inform future-oriented architectural thinking. Emphasis will be laid on understanding how design processes, construction systems, sustainability paradigms, and urban patterns are being reshaped globally. The schedule is curated to bring together diverse insights from multiple stakeholders like academicians, practitioners, technological innovators, policy experts, and sustainability professionals. Through real-time examples, theoretical discussions, and case-based learning, attendees will gain a comprehensive understanding of the transitions influencing architecture's future trajectory.

Key Takeaways :

- Participants will gain a forward-looking understanding of emerging technologies, ecological frameworks, and evolving practice models shaping the future of architecture.
- The programme will equip faculty with insights to integrate AI, sustainability, and experimental approaches into architectural pedagogy.
- Participants will be better prepared to guide students towards future-ready, responsible, and innovative architectural practice.

Notes:

• Teachers/ architects who wish to register for the training program either under Collaborative Training Program (CTP 2025-26) or as independent individuals may do so by filling up the Google form available on the given link.
• To confirm registration, kindly upload proof of payment towardsthe registration fees /nomination form on college letterhead before submitting the registration form.
• Link to join the program will be shared one day prior to the program • This program is not for students.
• E-Certificate of said training program shall be send via email on registered email id of participants, after successful completion of training program by participant i.e. attending all sessions and submitting all assignments, EoPT and feedback form of training program.

Last Date for Registration: 19th March 2026, 5:30pm

EoPT Date & Time:
Friday, 27th March 2026, 6.00 pm to 7.00 pm
Registration fees: Rs.1,500/-
Colleges may nominate faculty under CTP 2024-2025 and 2025-2026

EXPERT SPEAKERS

Ar. Ujjayant B
Asst. Professor, RVCA
Co-Founder, STHAAN

Ar. Sahil Tanveer
Founder, RBDS AI Lab

Ar. Pooja Khairnar
Founder & Principal Architect
PK_iNCEPTiON

Ar. Anand Sonecha
Founder, SEALAB

Ar. Pradeep Devadass
Lecturer, Design for
Manufacture at the Bartlett
School of Architecture, UCL

Ar. Subin Jameel
Asst. Professor & Program Co.
CEPT University

Ar. Sriram R
Principal Architect & Head –
Bengaluru Office
FHD Group
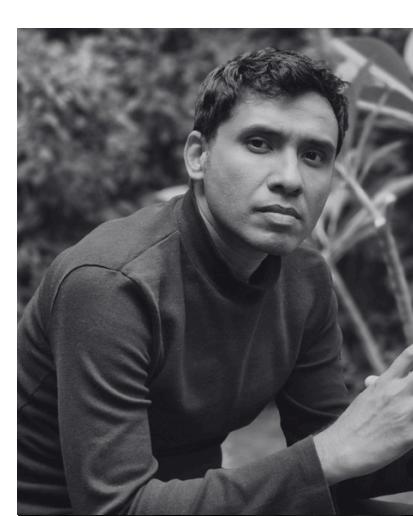

Ar. Sreenath V
Co-Founder & Principal Architect
Architecture Dialogue

Ar. Chitra Vishwanath
Founder, Biome Environmental
Solutions Pvt. Ltd

Dr. Anup Naik
Co-Founder & Director
Urban Frame Pvt Ltd
