SINHGAD COLLEGE OF ARCHITECTURE, PUNE

[NAAC Accredited]

NATURALIST APPROACH TO ARCHITECTURAL DESIGN

23rd TO 26th AUGUST 2022 [10.30 a.m. to 03.30 p.m.]

Last date for Registration - 20th Aug 2022

Naturalist design promotes human habitation through the responsible use of natural elements. Sustainable design is an approach in the fields of design, architecture & planning. Green Building practices become necessary to provide a better-built environment for future generations. This program focuses on various aspects of sustainable design through the perspectives of stakeholders involved in it. In addition to the learnings from eminent experts in this field, practical applications of solar, windmill, water conservation & services will be the output of this program. These interactions will escalate the opportunities for research in areas related to the topic.
