PRESS RELEASE

SUCCESSFUL CONDUCT OF THIRD TEST OF NATA-2023

The Council of Architecture, an autonomous Statutory Authority of Ministry of Education, Government of India, successfully conducted **Third Test** of NATA 2023 (National Aptitude Test in Architecture) on July 09, 2023, for admission to First Year of 5-year B.Arch. Degree Course at architectural institutions throughout the country.

Third Test of NATA 2023, a computer-based Aptitude Test, was conducted at 85 centres in the country and 8 international centres in two sessions – 1st session from 10.00 am to 01.00 pm and 2nd session from 2.30 pm to 05.30 pm. Out of total 14081 registered candidates for the Third test, 9207 (65.39%) candidates appeared in the Test.

The results of the **Third Test** will be declared by the Council on 17.07.2023. The candidates shall be able to download their Score Cards from NATA 2023 website www.nata.in.

It may be clarified that in case a candidate appears for 2 Tests, best of 2 scores shall be taken as the valid score and in the case of 3 attempts, the average of the 2 best scores shall be taken as valid score. For further information, NATA website www.nata.in may be referred.

I wish all success to the candidates for their future career.
