To All Practising Architects, Heads/Directors/Management of Architectural Institutes,

Dear Colleagues,

Greetings..!

We are all aware of the exceptional time our world is going through. We have been fortunate enough to have been able to contain the epidemic within limits in our country. However, we have a long way to go and we need to be extremely careful so that this epidemic does not turn into a pandemic in our country.

We need to hope for the best but prepare for the worst. Our fraternity is directly and indirectly is related to the livelihood of about 35 million daily wage construction workers from the un-organised sector who are majorly affected by the lockdown imposed by the Government to contain the spread of the epidemic.

It is our duty as conscientious citizens of our country to help and pitch in to collectively fight this crisis. Our Hon. Prime Minister has requested for generous donations to the PM Relief Fund to collectively fight the COVID-19 epidemic.

I am aware that you in your personal capacities would have made contributions and donations at local, state or national level. This appeal is to come forward once again and generously donate to the “**PM CARES FUND**” through the Council. The amount is not important, the gesture is. The Council will add from its own funds to make a substantial donation to the Relief Fund. Your donations could be acknowledged or you may choose to remain anonymous.

Once again, I very humbly and sincerely appeal to all practising Architects and Institutions across the Country to come forward and donate for this noble cause, through the Council.

Since this is a matter of emergency, your quick expeditious action will be of great help. Please come forward in large numbers and let us show our strength and presence in this hour of crisis.

The contribution can be made online through RTGS, NEFT, Net Banking or Debit/Credit Cards by using the following link:-
