संशोधन Sanshodhan

Research Scheme 2025

The Council of Architecture is pleased to announce the launch of the 'संशोधन (Sanshodhan)' Research Scheme in 2025. This unique initiative implemented through the Training and Research Centre, the academic unit of COA, aims to cultivate a strong research culture within recognized architectural schools in collaboration with all stakeholders of the built environment.

The scheme intends to provide guidance, mentorship and financial assistance to architects in academics and practice so as to foster innovative research in emerging architectural fields and support them to transform their research ideas into impactful outcomes.

Eligibility Criteria

RMP

Research Mentorship Program

For teachers in the early stages of their academic careers at recognized schools of architecture.

OORP

Outcome-Oriented Research Program

For senior teachers/architects with proven research achievements.

Research Grant Support Under 'Sanshodhan' Scheme

The quantum of support under 'Sanshodhan' is upto Rs. 3,00,000/- for each project which may be extended to Rs. 5,00,000/- in certain exceptional projects selected under this scheme. A maximum of upto 100 projects shall be awarded the research grant or as may be decided by COA.

Important Deadlines

Acceptance of proposal commences from:
14th March, 2025 onwards in a presentable
format available at

<https://forms.gle/ZFmKfpmnLSfmiQss7>

Call for applications

The Sanshodhan scheme invites Principal investigators, faculty members, and architects in practice to apply for support in research and innovative ideas within architecture.
